Credits must be used for a Sandpoint Parks & Recreation activity or program and expire after one (1) year's time.

No refunds will be given after the beginning of a program. Refunds requested by participant prior to the start of the program will be refunded less a \$10 charge. To request a refund or credit, you must fill out a refund request form and turn it in to the Parks & Recreation Department prior to the beginning of the activity or class.

**DISCOUNT FOR CITY OF SANDPOINT RESIDENTS**

You will notice that individuals who reside inside the Sandpoint City limits receive a discount on class fees. The reason is residents within City limits pay taxes, above and beyond regular County taxes, for services such as police, fire, parks, and recreation.
